

TANIA GHANEM ZEIDAN

+9613317891 | [Tania Zeidan](#) | taniazeidan04@gmail.com | Al Chouf, Lebanon

Objective

A highly motivated and skilled Computer Engineering student at Lebanese American University. Dedicated to leveraging extensive academic training and personal projects in software development and hardware design to solve real-world problems effectively. With a strong background in leadership both academically and in the community, I seek to continually enhance my skills through hands-on experience while contributing positively to a dynamic team environment.

Education

Lebanese American University, *B.E. in Computer Engineering*

Sep 2022 –Present

Expected to Graduate in May 2026

- Received the prestigious USAID HES scholarship, awarded to only 112 students across Lebanon.
- Placed on the Dean's Distinction list with a GPA of 3.72/4
